“Painting On the East Side”

A tropical experience to die for!” Jean Camp has opened up her lanai to painters for this fabulous painting experience. With an expansive panoramic view of the pacific and the sounds of the waves, whales jumping and a wonderful view of King Kong Mountain. This year we will paint the mountain and maybe include a rainbow or two for excitement. Class will run from 9:30 til 3:30 - bring a sack lunch. Class fee is \$150. Call Kathy or Jean Camp at 808-659-0613.

### March 6 and 7th - “Painting On The Mountain Top”

I have been looking forward to painting on the top of the hill in Kalaheo. The Kukuiolono Park is the setting for this two day painting experience. The pavilion has tables and shelter, bathrooms and a view to end all views! We can look forward to painting the “Captain Cook” pines, the chickens and roosters, the bougainvillea, old fountains, and vistas for miles. The times of the class are 9:30 til 3:30, bring a sack lunch. A small donation will be asked for usage of the park facilities—along with a daily fee. Ask for details when registering!
